Written Testimony

Please keep Hawaiian Memorial from proceeding with their proposed project to expand into the kaneohe conservation land hillside. In many ways like existing water runoff patterns, hillside erosion, visual impact, cultural resource disturbance, neighborhood impact, loss of trees and greenery, traffic, etc., it would be a mistake to allow them to proceed. Denying the original request was the responsible thing to do. Even for a lesser project the original reasons for denying the first one still apply.

Please do the right thing and protect the area. Your children and grandchildren as well as the residents of Ko'olaupoko will thank you.
